

表二

103 學年度 商 學院 英語授課課程大綱

課程名稱 Course Title 模組 個別	(中文) 亞洲經濟問題研究 (英文) Seminars on Asian Economic Issues
課程目標 Course Objectives	The goal of this course is to equip students with basic skills of reading academic literature, collecting/analyzing data, and eventually writing an academic paper. By so doing, students may have knowledge to address real-world business issues.
課程大綱 Course Description	Students will be assigned articles in the beginning of the semester. Students will discuss these assignments with the instructor in English weekly or biweekly. There will be a mid-term and a final presentation in English as well. Students are also required to submit an academic paper written in English after the final presentation.
上課進度 Weekly Course Schedule	Reading assignments and weekly discussions.
教學方式 Instructional Method	Seminars and discussions
課程要求 Course Requirements	Research paper written in English as well as midterm and final presentations.
評量方式 Evaluation	Mid-term/final presentation: 60% Academic paper: 40%
