

## **International Finance\_NCCU\_102(1)**

Course Title: International Finance  
Time: TBA  
Venue: TBA  
Course Co-ordinator: Yung-Ming Shiu  
Email: [yungming@nccu.edu.tw](mailto:yungming@nccu.edu.tw)

### **COURSE DESCRIPTION**

The course aims to develop in students an understanding of international financial management. The important issues on international corporate finance will be discussed and analysed. First of all, an overview of corporate finance abroad is given. We will then cover exchange rate behaviour and risk management. Students are divided into groups to do presentations and are required to preview course materials before attending the class.

### **ASSESSMENT**

**Form of Assessment (subject to change):** The course is assessed by examinations (60%), class attendance and participation (Q & A), and oral presentations (Blades, Inc. Case and Small Business Dilemma) (40%).

**Dates of Assessment:** TBA
